

UNIVERSITY *of* VIRGINIA

COLUMBARIUM VAULT AGREEMENT

In conformance with the terms of eligibility for procuring a vault and in consideration of \$ _____ paid by _____ (Licensee), the University of Virginia hereby grants to Licensee a license coupled with an interest in a vault in the Columbarium of the University Cemetery. This vault may be used to inter the ashes of up to four decedents, whose names and dates of birth and death may be inscribed on the granite front panel in the fashion determined by the University's Cemetery Committee as described in The University Columbarium Manual. The University will make a reasonable effort to maintain the Columbarium as it maintains the rest of the Cemetery.

This license for Columbarium Vault _____ is not transferable by the Licensee to others. In the event the vault is not utilized within 100 years, the license shall expire.

If the Licensee elects not to utilize the Columbarium Vault in accordance with the agreement, the University will make reasonable efforts to resell the Vault to another eligible Licensee. In doing so, the University will return the License fee, in the amount originally paid to the original Licensee or Licensee's executors or beneficiaries of the estate
